

NEW EXPANDED SCHEDULE!
NEW in December—.22 Rimfire!

NSC BOWLING PIN SERIES

**First and Third Friday Evening of the Month;
December Begins .22 Rimfire Pistol Series**

Every first and third Friday of the month NSC runs a **bowling pin shoot** in the indoor range. **Sign-in at about 6:30 p.m.; required safety meeting starts at 7 p.m.;** a \$10 entry fee covers the evening and the matches are open to all members. Winner gets half the pot in addition to the glory!

Third Fridays: Centerfire Pistol, Iron Sights. Shoulder-to-shoulder, single- or double-elimination (depending on the number of shooters). Targets are 5 pins at 30 feet; the first one to knock his or her pins off the table wins the round and the shooter will be re-entered into a later round. Previous pin-shoot winners compete at 40 feet.

First Fridays: .22 Rimfire Pistol or Revolver, Optics or Iron Sights. **Starting in December 2013** the first Friday matches will feature .22 Rimfires targeted at the tops of the bowling pins. When paired against an optics shooter, iron sights may shoot one pin prior to the shoulder-to-shoulder match as a handicap.

Eye and ear protection required for shooters and observers; all firearms are to be brought to the firing line from the ready room unloaded and in a pistol case or holster. Bring extra magazines or speedloaders; depending on skill and the number of eliminations, top shooters may require approximately 100 cartridges.

For questions—contact Bob at 860.388.8147.

The range will be closed to other shooters during the match hours.
